Road Map

The background of the slide is a stylized illustration. At the bottom, a blue sports car is driving on a dark grey road with white dashed lines. Behind the road are rolling green hills of various shades. In the far distance, a city skyline with several buildings is visible under a light blue sky with a few white clouds. There are also partial views of dark green rounded rectangular shapes on the left and right edges of the slide.

A child's hands are visible in the background, stacking colorful wooden blocks into a pyramid shape. The blocks are in various colors including red, orange, blue, green, and yellow. The text is overlaid on the image, centered and reads: Effective service coordination is the **FOUNDATION** of successful early intervention services.

Effective service
coordination is the
